

Poopy Diaper

(Lyrics)

I need to get this out and show what I can do. I'm wrapped up inside this wall that holds it back from you.

I gotta set it free I can't hold it back no more. There's something special in me I'm gonna give you what's in store.

I want the world to see
I've got a Poopy Diaper, Poopy Diaper
That bulge (you see), is me,
I've got a Poopy Diaper, Poopy Diaper

I can't hear what you're saying cuz I'm pushing out something huge
Only heaven know when I'm gonna turn red and push out a giant poop

Mommy's not happy with the things I do now that I can crawl
That's not peanut butter spread out all over the wall

I want the world to see
I've got a Poopy Diaper, Poopy Diaper
That bulge (you see), is me,
I've got a Poopy Diaper, Poopy Diaper

[Ad lib rap]

Too much Poopy in the pants
Too much Poopy in the pants
Too much Poopy in the pants
Too much Poopy in the pants

I don't understand when you change me why you make that painful face
If I was boy right now I'd be peeing all over the place I want the world to see
I've got a Poopy Diaper, Poopy Diaper

That bulge (you see), is me,
I've got a Poopy Diaper, Poopy Diaper

[Repeat chorus]
